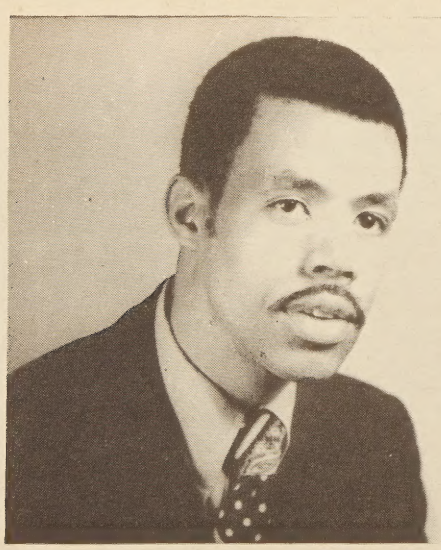
ELDER WATSON CONDUCTING OUTDOOR REVIVAL FOR GREATER JOY COGIC



Brother Jim Watson

Greater Joy Church of God in Christ's Pastor is conducting a revival outdoors. Revival services will begin August 9 through 12 at the Greater Joy Church of God in Christ Hill Top Rescue Mission, located at 23rd and "L" Streets.

The conductor of these Revival services will be Elder James T. Watson, Sr., Pastor of the Greater Joy Church of God in Christ which is located at 56th and South Thompson Streets. Pastor Watson is known by many as Brother Jim Watson because of his radio broadcast "Early Morning Gospels" heard each Sunday morning at 7:30 a.m. over radio station KTNT, 1400 AM.

Pastor Watson believes that we are living in the last days and that Jesus is soon to come. Therefore, Christians must become busier now than ever before and tell lost men, women, boys and girls to repent and make ready for the King's soon return. For this cause, the Outdoor's Revival is being conducted to ell of God's love. People won't go to church so the church must go to the people. It is time out for shamefulness concerning Jesus Christ. People in the world are not ashamed to let you know whose side they are on, how much more should Christians be willing to lift the name of Jesus up.

Services will begin nightly at 7:30 p.m. Come and be blessed of God.

Come one! Come all to the Old Time Revival Galilee Missionary Baptist Church at 5802 S. Puget Sound Ave. August 14-19, 1977 at 7:30 p.m. Guest speaker will be Rev. Melvin Danden.

The Women's Missionary Society of the Shiloh Baptist Church, 1211 South "T" Street, will celebrate its annual Women's Day, Sunday, August 14th, 1977 at 3:00 p.m.

The guest speaker will be Mrs. Rose Marie Johnson. Mrs. Johnson is a high school English teacher. She also works in real estate. She is the director commission on religion and race of The First Methodist Church. She is also a former editor of the FACTS.

The public is cordially invited.

Think and Grow Rich Seminar Planned

A "Think And Grow Rich Seminar" was announced by the Napoleon Hill Academy for August 15 at 7:14 p.m. at the Sherwood Inn.

Dr. Dan Ford, 40 years ago read a book that changed his life. It showed him how to make money. In 1938 Dr. Ford read, believed and acted upon the method that Napoleon Hill explained and illustrated. This system was simple and easy to apply.

In 40 years from teaching school in Texas to serving on the Board of Directors in industries as diverse as dairy products, insurance, manufacturing and the automotive products, Dr. Ford has been a leader.

In 1971 after Dr. Ford had amassed his own fortune, he wanted to share his own personal experiences and knowledge with others who also wish to think and grow rich. This three hour seminar will change your life. It will give you the ability to amass your own riches in health, happiness and wealth.

Meet and learn from Dr. Ford on August 15th. Tickets are available at the Bon Marche, the Music Boutique in Tillicum or from the Tacoma Urban League, Community Services, 27th and Yakima. $7.50 per person.

TEE & TURF GOLF CLUB NEWS

By Morgan Giles

We played at Brookdale Golf Course today, and I know all of the sandbaggers had a good time. There were some good names like O.L.C. Just a few names to look at. I don't know who the player of the week was, for reasons I will make clear in a moment. We played low putts and the winners were: 1. F. Snapp (30), 2. O. Burlinson, (31), C. Horn (31), and F. Brown (31).

Now for the reason I did not play in Tacoma. I played at West Seattle Golf Course with the Fir State Tournament, along with none other than our secretary Alean, and Jim, Sam and Keyes. We had two good days as far as the weather was concerned, but as for golf, well.....we played our game. Alean and yours truly brought back some third place trophies. I was in the A Flight, and Alean was in the Women's Flight, and that was the sad part because Alean has a 9 handicap. The other women had a 27, 34 and up. That's why our queen came up third. They should have had a championship for women. What do you think? But I guess we can live with it. (You are a real trooper Alean.) Next week we play at that Gold Mountain Golf Course. Tee time next Sunday is 10:00 a.m. Let's start a car pool gang, and let's be there. See you on the 1st tee.

BILL BUTLER POSTS BEST SCORE IN FIR STATE GOLF TOURNAMENT

By Fitzgerald Beaver

In the annual Fir State Golf Tournament held at West Seattle Golf Course last Saturday and Sunday, a new champion emerged. Bill Butler out shot the favorites. Butler took on Bob Duckworth, Horace Miller, Bill Laniers, Robert Herbert, C.J. Williams and a few more big guns. The end results was Butler winning lst place, Duckworth 2nd, and Horace Miller, 3rd.

In the A Flight, Jessie Satterwhite out lasted the best. Jessie stated that he is now ready for Bill Butler or any champion golfer. K.C. Galloway placed 2nd and Morgan Giles, 3rd.

The B Flight was a close fought match between Sam Jennings, Frank Dyer, J.J. Jackson, Sam Wagner, Fitz Beaver, Ozzie Moore and Aubrey Prince. Jennings was lst, Beaver 2nd, and Moore, 3rd.

The C Flight was handled by Cecil Beatty who came from 8 strokes behind to win lst place, Carl Owens, 2nd and Al Curtis, 3rd.

In the Women's Flight, Alein Cunningham won Low Gross; Verna Beaver, lst low net, Kitty Garner, 2nd low net, Alein Cunningham, 3rd.

Now we have two more tournaments to look forward to -- The Tee and Turf and The FACTS Classic. See you then.

MADIGAN COMMANDER NOMINATED FOR SECOND STAR

Lt. Gen. Richard R. Taylor.

The Surgeon General of the United States Army, Lt. Gen. Richard R. Taylor, notified Brig. Gen. Spencer B. Reid, commander of Madigan Army Medical Center, of his nomination to the rank of Major General last Saturday.

The President of the United States has approved and forwarded the nomination to the Senate for confirmation.

Gen. Reid was assigned to Madigan in July of 1975, arriving from assignment as deputy commander of Walter Reed Army Medical Center, Washington, D.C. While there he was also director of professional services and director of medical education.

Throughout his Madigan assignment, the General has maintained a contiued personal interest in the problems and needs of soldiers, retirees and dependents receiving patient care at the Center.

Well-known in the Tacoma-Olympia community, Gen. Reid has spoken before many schools, civic organizations and service clubs as well as neighboring military installations.

The General's strong dedication to the total patient care has brought medical services more readily and efficiently to active duty soldiers in the field. He initiated Dial MAMC--a 24-hour telephone answering servi e available to the entire military community to register complaints or kudos about the Center. He also established a quarterly "Consumer's Council on Health Care Delivery" to enable hospital patrons to communicate openly their views on the effectiveness of medical and dental treatment received at Madigan.

Through his efforts a five-state regional concept of coordination of all available public health and military medical service resources became evident.

Gen. Reid is a native of Salt Lake City, Utah. He is a 1946 graduate of George Washington School of Medicine and a 1947 graduate of the Medical Field Service School at Brooke Army Medical Center, Ft. Sam Houston, Tex. His medical specialty is obstetrics and gynecology.

In the Army since 1947, his assignments have included tours in Germany and Korea, and as division surgeon for the 101st Airborne Division at Ft. Campbell, Ky., and the lst Cavalry Division in Korea. In 1961 he attended the U.S. Army Command and General Staff College at Ft. Leavenworth, Kan.

He was promoted to Brigidier General in July of 1973.

As a Pacific Northwest sports enthusiast, Gen. Reid is an expert skeet shooter and has participated in several tennis, racketball and handball intramural tournaments at Madigan. The General and Mrs. Reid live with their daughter, Clarissa, at Ft. Lewis.

SOCIAL NOTE

Reverend and Mrs. M.G. Cain were invited to dinner along with Rev. and Mrs. Curtis Sanders and other members of the Pilgrim Rest Baptist Church at the home of Mrs. Thelda Paylis at 1610 S. 15th Street, Tacoma, Sunday, August 7th.

THE TACOMA CITY COUNCIL HOLDS THE KEY

By Kevin McKenzie

The Tacoma City Council holds the key to the future of the heart of Tacoma, the downtown Tacoma-Hilltop area, in the form of a proposed Tacoma Mall addition.

If the Tacoma City Council allows the Tacoma Mall Corporation to expand and monopolize the major retail outlets in Tacoma and if the Tacoma City Council allows the Mall Corp. to suck the last bit of financial blood from the heart of the city, then it will be obvious that the Tacoma City Council no longer represents the best interests of the City of Tacoma, but that it represents the best interests of the dollar.

If the Tacoma Mall expands and attracts even more business, the recent efforts to imporve the downtown Tacoma-Hilltop area will most proably cease. The focus of attention will have moved to the Tacoma Mall, to making more money with false luxury. Downtown Tacoma-Hilltop would be left with a defunct, half-finished Broadway Plaza, and a useless community center. The downtown Tacoma-Hilltop area would cross the thin line between being a very depressed area, to being a bona fide, blighted ghetto.

VA GETS EFT MONEY SYSTEM

Almost five million Americans -- 82,196 of them in Washington State -- will get the opportunity this month to begin enjoying one of the benefits of the computer age -- having their Veterans Administration compensation or pension payments deposited electronically in their bank, savings and loan institution or credit union .

Richard F. Murphy, director of Va's regional office in Seattle, said today the agency's newest service to veterans will eliminate worry over lost or stolen benefit checks and will also result in an initial annual savings to the nation's taxpayers of $1.3 million.

The new program is all part of VA's participation in a sophisticated computer system called Electronic Funds Transfer (EFT).

Beginning August 1, veterans or survivors of veterans receiving VA compensation and pension checks can ask to have the payment automatically credited to their account each month.

The account can be in a bank or a credit union or savings and loan association holding a state or federal charter.

VA Administrator Max Cleland, ahiling the new program, said in Washington, D.C., that "not only will this plan end worry over lost or stolen checks, it results in your payment being deposited on the issue date."

Murphy said a recent test of the EFT system among compensation and pension recipients in Georgia and Florida showed the acceptance of the new program.

In the onitial month of the test, 8,720 individuals chose the checkless deposit system. By the second month of the test, participation had nearly doubled, to a total of 16,835 recipients.

The regional director said veterans or their survivors who elect to participate in the new program can have their first benefit payment deposited automatically as early as October 1.

Instructions outlining the simple steps to take will be included with compensation and pension checks mailed August 1, he said.

Murphy urged eligible veterans or survivors of veterans who have any questions concerning the new program to contact the nearest VA office.

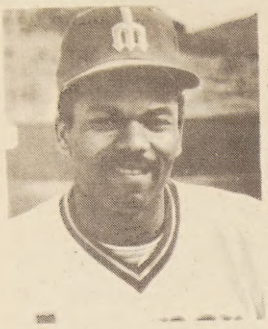
Mann's Bits and Pieces

by Dave Mann

Sports Editor



Ruppert Jones

Lee Stanton
OF

The Seattle Mariners continue to face the best the American League can throw at them when they meet West Division foes Chicago and Minnesota and East Division rivals Baltimore, Boston, and Detroit on an 11-game road trip that began Monday against the White Sox.

Chicago paces the American League West with Minnesota one of the challengers for the top spot while Baltimore and Boston are battling New York for the East Division pennant.

The Mariners, through games of August 4, owned a 46-63 record, but since May 16 Seattle has posted a 35-36 mark. That pace, one game under .500, over the rest of the campaign would provide the Mariners with 72 wins, an all-time victory record for an expansion club.

Improved pitching has been a key factor in the Mariners' representative showing since mid-May. One of the most dramatic has been the five straight victories reeled off by Glenn Abbott. The former Oakland pitcher now stands at 8-7 for the season. Enrique Romo out of the bullpen paces the Mariners in earned run average at 1.97 and in strikeouts with 82.

Lee Stanton's offensive power has been another Mariner weapon. Stanton has clubbed 15 home runs, driven home 57 runs and his hitting .288. Dan Meyer at first base has raised his average to .271 and contributed 14 homers to the Mariners' offense.

And, of course, Ruppert Jones continues his spectacular play in center field and is the Mariner home run leader with 20.

MARINERS TIDBITS.....Paul Mitchell the righthander acquired via waivers from Oakland last week was placed on the 25-man roster in place of Tom House who was hurt in Sunday's loss to the Yankees at the Kingdome.....Rookie second baseman Julio Cruz has a nine game hitting streak going, so has rookie centerfielder Ruppert Jones (eight games) and first baseman Dan Meyer (six games).

FOOTBALL.....A win is a win no matter when or how you win. Coach Jack Patera's Seahawks started the season off on a winning note by downing the 49ers from San Francisco 34-24 last Sunday in the Cable Car City. Second year quarterback Steve Myer was the big surprise for the Seahawks as he came on in the fourth quarter and moved the Seahawks 84 and 46 yards for touchdowns, and flashed the poise that a quarterback most possess.

CONVERSATIONS

By Wanda Jackson

Have you ever just heard snatches of conversations and thought how funny they are. Here are some that I heard the other day.

Anything you do with her ears she loves it.
What did you do before you went into the navy?
Tried to stay out.
Did they do that to the dog too?
I don't know I wasn't there. (Where)
It was sink or swim.
What did you do?
Swam."
Sounds logical don't it
You sure put your foot in your mouth.
It's getting worse.
You're roots are showing.
She don't like her head patted.
And we're having to pay a surcharge.
This one is growing faster than the other one. (what)
I'm going to get enough to last for a while.
Have you checked those milk prices.
What do you think of him?
Dumb! Dumb! Dumb!
That's bad.
Mom, That's cold.
Give me five.
What are you going to do?
Can I go to Wrights Park.
I want a ten speed bike.
Bug off.
Yeah, I'll go with you.
It's Hot!
Walk slower you might hear some funnier than I did.

Right On...

I think I will have to endorse Dr. Lawrence Bergner, Director of Public Health for the State of Washington, on his support of Governor Ray's stand on public funding for abortions. In a recent letter to the Governor Dr. Bergner said:

Dear Governor Ray:

Your decision to continue to provide state support for abortion for the indigent as announced by Dr. McNutt is most welcome.

The availability of safe, legal abortion has made a vital contribution to maternal and child health in the United States. It is my opinion that, coupled with an effective family planning program, legal abortion has been one of the most significant public health advances of the past decade. It is quite clear that legal abortion has reduced maternal mortality and has made a major contribution to reducing infant morbidity and mortality. It has also contributed to a decline in out-of-wedlock births and abandoned infants, and thus prevented an increase in the public assistance roles by thousands of women and infants.

I believe it is a fair interpretation of recent trends in this country that without an adequate family planning program complemented by safe, legal abortion most of the cities in the United States would progress rapidly to staggering welfare costs similar to those experienced by New York City.

The aggressive anti-abortion stand taken by Secretary Califano is retrogressive in the extreme, and serves to promote a two class system of medical care. Your decision to keep the State of Washington from following this backward step is deserving of commendation.

Sincerely,
Dr. Lawrence Bergner, M.D., MPH
Director of Public Health

RIGHT ON, DR. BERGNER!

Kids Benefit From Free Lunch and Dinner Program

Chow time!

Good food, good friends, and lots of noise spell fun for neighborhood kids and success for the free lunch and dinner program located in the basement of the Sheridan Street Church of God, 2303 Sheridan Ave.

The church is one of several Tacoma locations participating in a free lunch and dinner summer program for needy children sponsored by MDC.

Although lunch isn't served until 11:30 a.m. and dinner at 4:00 p.m., Mrs. Marcilee "Peaches" Jones and Mr. Huey P. Jones, assisted by Pam Sacks, Veronica Jones, and Terry Slaughter, open their doors around 9 and close about 6:30p.m.

More than ninety boisterous children storn. the basement twice a day to partake of "Peaches'" well balanced meals, and a large part of the kids stick around all day and participate in various supervised games and sports activities. Reverend Roy Fletcher (pastor of the church) and Mrs. Fletcher hold daily counseling sessions and talk to the youngsters.

The program aims to provide two nutritious meals to children under 19, but the Sheridan Street Church of God food center has gone much further and provided a place where kids can eat, drink, be merry and make noise all day, for free.

The program operates Monday through Friday until August 31.

Bahai Programs Feature Films

The Baha'i Community will present a series of evening programs from August 15th through August 20th at Tenzler Library at 7:00 p.m.

Tuesday features the film, "The Green Light Expedition", which follows a Baha'i teacher through the Amazon jungle and into the Peruvian Andes to meet with native Baha'is in those areas of the world. One of the highlights is the rare exposure to the Bush Negro people of Guyana, who have managed to maintain their African culture after escaping slavery during the 19th century. The first international Baha'i conference, held near the ancient Incan site of Machu Picchu, high in the Peruvian Andes, shows native peoples in traditional dress and celebration.

Saturday evening's presentation is a musical slide program featuring internationally popular recording artists, England Dan and John Ford Coley.

Other media offerings on Monday, Wednesday, and Friday include historical accounts of the lives of the Bab, forerunner of the Baha'i faith, and Baha'ullah, its prophet/founder. Slides of the Holy Land will be Friday night's program.

Educator, Rouha Rose, will speak on childhood education Thursday.

Program announcements will be available from August 15th at the Tanzler Library, 6300 Wildaire Road S.W. in Lakewood. For further information, phone 584-5774.
